

Privacy Notice

Effective on September 2025

Bank of Ayudhya Public Company Limited and its financial group of companies, whose names appear in the attachment to this Privacy Notice, (collectively, ‘**Krungsri Group**’ or ‘**we**’) have recognised the importance of your personal data and have prepared this Privacy Notice (this “**Notice**”) to inform about Krungsri Group's collection, use, disclosure, or transfer of your personal data including other data relating to you (collectively ‘**Data**’).

A. To whom does this Notice apply

This Notice applies to third parties that we have relationships with, including the procedures of existing and future transactions with the third parties, whose personal data we collect, use, disclose, or transfer in the course of our normal business or about the products and services we provide (for example, savings account opening service, credit card service, loan service, personal loan service, insurance brokerage service, hire purchase service, leasing service, funds service, securities service) (“**Products and Services**”), depending on the type of Products and Services that the third parties may apply for or request from Krungsri Group, which includes:

- (1) individuals, including business operators who are individuals;
- (2) partners and service providers who are individuals;
- (3) board of directors, representatives, shareholders, agents, employees, and other persons in a similar capacity (collectively, “**Connected Persons**”) of:
 - (a) juristic persons and their affiliates which are customers of Krungsri Group including corporate operators;
 - (b) business partners of Krungsri Group (such as bond issuers, insurance companies, and representatives of financial institutions);
 - (c) partners or service providers which are juristic persons including other juristic persons who offer Products and Services to Krungsri Group;
 - (d) affiliates of Krungsri Group and other juristic person participating or intend to participate in or in relation to any project(s) in which related to investment or business operations including investment partners with affiliates of Krungsri Group;

in this Notice, persons described in (b) (c) and (d) are collectively called “**Business Partners**”,

- (4) users and recipients of the Products and Services;
- (5) visitors and users of our websites, including mobile applications, computer devices, and other channels of communication; and
- (6) any other persons whose personal data we obtain (such as directors, representatives, shareholders, agents, employees and/or any other persons who have the same position in a company where

Krungsri Group invests or makes a transaction, shareholders of companies in Krungsri Group and their proxies, individual guarantors and participants in a public auction and questionnaire respondents).

Persons described in (1) to (6) are collectively called “**you**”.

B. Changes to this Notice

This Notice, including the name list of Krungsri Group companies in the attachment to this Notice, may be amended or updated from time to time. This is to reflect changes in our practices or policies with respect to the collection, use, disclosure and/or transfer of personal data, or changes in applicable law. Krungsri Group will notify you of such changes to ensure that you have adequate information on the changes. We also encourage you to read this Notice carefully, and to regularly check and review any changes we might make to this Notice.

C. How we collect, use, disclose and/or transfer and protect your Data

The purpose of this Notice is to describe in detail how we collect, use, disclose, and/or transfer your Data. This Notice informs you the rights and options as a data subject with respect to your Data, and our contact details when you have any inquiries.

1. Personal data that we collect

1.1 Categories of personal data

“**Personal data**” means any identifiable data relating to you. If there is any data which can be combined with your Data, or other data which is used to prepare a profile of an individual, we will deem that such data is personal data.

Krungsri Group may collect or obtain the following categories of data which may include your Personal Data, depending on the context of your relationship with us and the type of data subject you are.

(1) You as an individual

Category of personal data	Description and examples

If you do not provide your Data, Krungsri Group may not be able to provide you with the Products and Services you request or may not meet our certain obligations to you, or we cannot comply with our legal obligations.

Personal data of third parties

You are responsible for notifying third parties of the details of this Notice, and obtaining any required consent from them (where consent is required) if you give us their personal data. In addition, you must also ensure that we can lawfully collect, use, disclose, or transfer those third parties' personal data as set out in this Notice depending on the companies in Krungsri Group that you have interacted with and gave their Data to. Examples of personal data includes:

- name, family name, age, gender, postal/email address, telephone number, identification number, passport number;
- financial documents, salary, work-related information (e.g., position, function, occupation, job title, company he/she works for, is employed at, or holds shares of);
- relationship with director of, management of and a person having controlling power over Krungsri Group, relationship with other corporate entities (e.g., as a director, management and shareholder), information of persons with the controlling power of funds including the assignees, beneficiaries, information of ultimate beneficiary owners, company's board/directors/shareholders/representatives of juristic person/chief managers, other persons who can dictate policies or possess executive power in an organization;
- relationship with you and political status such as relatives who hold political status;
- your family members, joint account holders, spouse/former spouse, data relating to your children (such as their titles, name, family name, age, gender, government-issued identification number, address, e-mail address and activities relating to them), next of kin, housing ownership;
- estate administrator/executor's information, joint account holders' information, information of witness, information of the assignee of the power of attorney;
- authorized person, information relating to witnesses and assignees under a Power of Attorney, contact person, insurance premium payer, authorized signatory/withdrawer of deposit account, guarantors, reference person, customers of the third parties;
- pledgers/pledgees, mortgagers/mortgagees, lessors/lessees, registrars for property being placed by you as collateral, your debtors, transferee/recipient of the funds, the payee, employer;
- contact person for debt collection, or you ask us to disclose their personal data to other third parties;
- in some cases, we may have inevitably received or accessed personal data about other persons through other sources, such as via Single Form on KSAM's FundConnex platform, in which we do not require such personal data in offering our Products and Services.

Personal data of minors, incompetent persons, and quasi-incompetent persons

If Krungsri Group has acknowledged that we need to obtain consent from data subjects who are minors and cannot lawfully give consent by themselves, we will not collect their Data until the consent of the persons exercising parental power is obtained. In addition, we will not collect any Data from quasi-incompetent persons or incompetent persons until the consent of their legal curators and guardians is obtained (as the case may be).

If Krungsri Group has not acknowledged that the data subjects are minors, quasi-incompetent persons or incompetent persons prior to the collection of their personal data, upon learning that we have collected personal data of minors without the consent of persons exercising parental power (when it is required and the minors cannot lawfully give consent by themselves), or from quasi-incompetent persons and incompetent persons without the consent of their legal curator and guardian, we will delete the personal data at the earliest convenience unless we can rely on other legal bases apart from consent.

Cookies

As part of the security procedure for our services and user experiences in using our Products and Services, cookies and such other systems may be used and may be placed on your device, depending on the company in Krungsri Group that you have interacted with. In general, information gathered using cookies is not linked to any identifiable data (e.g., your name or e-mail). However, if we may need to link your personal data with cookies or other data that is associated with your use of our Products and Services, we will treat cookies and combined data as personal data.

1.2 Collection of your Data

Krungsri Group may collect your Data in various ways (depending on the company in Krungsri Group that you have interacted with), including:

- (1) **Through the service channels:** we may collect your Data directly from you both via online and offline channels (e.g., via branches or offices of Krungsri Group, interviews, post, ATMs, messengers) or via telecommunications such as telephones, e-mails, websites, applications, Krungsri Internet Banking Laos (KIBL), online social network platforms (e.g., Line and Facebook), and other promotional and marketing channels.
- (2) **From sources other than through the service channels:** we may collect your Data from other sources such as when you contact Krungsri Group before carrying out transactions, applying for Products and Services of Krungsri Group, requesting for pitching documents or proposals, participating in transactions or entering into contracts (regardless of the channels through which the contacts are made and personal data is given such as through Krungsri Group branches, electronic platforms, online social networks, Krungsri Group's official LINE account) or data obtained from the data room relating to transactions.
- (3) **Other sources:** we may collect your Data from other sources such as public sources and/or through our parent company and affiliates (e.g., service providers engaged by us to collect personal data on our behalf), our Business Partners (such as co-branded companies, or companies participating or intend to participate in projects in or in relation to investment or business operations with affiliates of Krungsri Group, or insurance companies for insurance related purposes or FundConnex platform), the entities to which we invest or make a transaction, the entities to which we provide the Services (including their websites, online social networking profiles), government sources, government

agencies holding a reliable database of individuals, government authorities (e.g., the Bank of Thailand, the Revenue Department, the Anti-Money Laundering Office, the Office of Insurance Commission, the Legal Execution Department, the Ministry of Commerce, the Office of Securities and Exchange Commission, the Department of Lands,), courts, and from other third parties (e.g., referral persons, your representatives or other parties who are persons who were ultimately given power of attorney from you).

2. Legal bases and why we collect, use, disclose, or transfer your Data

2.1. Legal bases we may rely on

Krungsri Group will determine our legal bases for the collection, use, disclosure, or transfer of your Data, as appropriate, depending on the company in Krungsri Group that you have interacted with. In most cases, the legal bases which we mainly rely on are any of the following:

Legal bases	Description
Contractual basis	To allow us to perform obligations and/or actions that are necessary for entering into contract with you and/or for providing you with the Products and Services you require under the contracts between you and Krungsri Group (for example, to allow you to make and receive payments using a credit card issued by us, to lend you the amount of money based on your loan contract with us, to assist you with payments relating to insurance policies, etc.), and to perform obligations under contracts.
Legal obligations	To allow us to meet our legal obligations (for example, obtaining proof of your identity to meet our obligations under anti-money laundering laws of Krungsri Group and disclosing to the National Credit Bureau (NCB) per our obligations under the credit information laws and the Foreign Account Tax Compliance Act: FATCA).
Legitimate interests	To pursue our and others' legitimate interests (such as to understand how customers use our Services and develop new services, to improve to be new services we currently provide, to run a sales promotion or publicize Products and Services including beneficial privileges that are on your expectation and processing it within each entity of Krungsri Group, to detect and prevent fraud), to administer systems and services for collection and write-off management.
Vital interest	To prevent or suppress a danger to your life, body, or health.
Consent	To collect, use, disclose, or transfer your Data if your consent is required, such as for promoting sales or publicizing the Products and Services including beneficial privileges and we cannot rely on another lawful basis.

If Krungsri Group is required to collect your Data for fulfilling contractual or legal obligations, Krungsri Group may not provide you with the requested services or take the requested steps and you do not provide us with your Data.

Krungsri Group may use its existing or future technologies to collect, use, disclose, or transfer your personal data for the purposes outlined in this Privacy Notice. This includes, but is not limited to, the following technologies:

1. Blockchain, such as public blockchain, private blockchain, consortium blockchain, and etc.
2. Artificial Intelligence (AI) or Generative AI, such as ChatGPT, Google Gemini, Microsoft Copilot, AI Chatbot technology, and etc.
3. Cloud Computing.

2.2. The purposes for which we collect your Data

Krungsri Group have collected your Data for various purposes, depending on the company in Krungsri Group that you have interacted with or entered into transactions with, Products and Services you have obtained from us, including the nature of relationships between you and our Business Partners and/or any other consideration in each specific context.

Kindly note that the purposes listed below only set out the general framework of the use of Data by Krungsri Group on the date that this Notice

(1) Pre-enrollment and customer/vendor onboarding

Purposes	Description
Identification and verification	To conduct your identity and signature verification, such as when you apply for the Products and Services of Krungsri Group or our affiliates/Business Partners or when entering into agreements and transactions with you, to enable you to apply for and obtain the Products and Services, to verify your login credentials, to verify your location for allowing you to access your accounts or to conduct online transactions by using provided channels, to create your electronic signature, to verify your identity when you contact us for requesting to obtain customer-related Products and Services through the provided channels (such as branches of Krungsri Group, telephone, e-mail, LINE account, mobile application and website), and to compile security questions for identity verification processes.
Quotation and onboarding	To provide you with insurance premium quotation and process quotation or proposals about Krungsri Group's Products and Services that you may be interested, apply, or requested for, to process quotation, registration, and

Purposes	Description
	applications for customer on-boarding, to assist you in applying for and receiving Products and Services.
Eligibility assessment, approval, and rejection	• To assess your application, request, and eligibility in requesting Products and Services, to conduct initial customers' background checks, to fully check qualifications for requesting Products and Services, to assess risks and process the eligibility assessment procedures by considering background information for proposing, considering, and approving Products and Services which you have applied or requested for, to verify relevant documents received by Krungsri Group (such as customer data and assessment of acceptable risk, corporate documents and the updated list of shareholders); • To offer an appropriate insurance policy or insurance premium, to prepare an insurance policy, to extend the warranty; • To analyse credit risk, to conduct credit checking, to prepare credit scoring / model, to create credit assessment models in order to assess your credit reliability, to check your credit status, to evaluate collaterals by way of site visits or to investigate facts relating to assets and asset seizure; • To create a model to analyse the ability to pay for basic goods or services by developing your Data in a mathematical model. Including calculation formulas that are necessary to analyse the ability to pay for basic goods or services, and this mathematical model will be used for servicing to customers or partners and be a part of Krungsri Group's decision to provide services to customers or partners. • To appraise collaterals for mortgaged loans, to approve or reject your request for obtaining services, to approve collaterals for Products and Services, to contact you in relation to Products and Services you have requested or applied for (such as in the case that we have been contacted by you to ask whether your request is approved or rejected); • To allow the Department of Land Transport to inspect and certify vehicles and to inspect status of vehicles and to transfer ownership of vehicles to Krungsri Group which

Purposes	Description
	is a step in credit review in case of car refinancing), to register vehicles with the Department of Land Transport (vehicle registration manual)
Due diligence	• To carry out the processes and steps of customer identification and other security risk checks (including, “know your customer” (KYC), and other risks and security checks, to verify customer's identity and status, to check the data or to conduct background checks in other ways or to identify risks relating to you and/or customers (such as Know Your Customer (KYC), "customer due diligence" (CDD), anti-money laundering, to conduct Related Parties Transaction (RPT) checks, Foreign Account Tax Compliance Act (FACTA), to check your Data which you provided to Krungsri Group against the blacklist database, to conduct other due diligence and verification requirements against the public database of law enforcement agencies and/or sanction lists under the law and other relevant lists, including to comply with sanctions, procedures or rules, to verify your relationship with politicians, to carry out financial transactions and payment services, including to carry out transaction checks; • To check and assure the documents delivered by you, including the eligibility and qualification for obtaining Products and Services, to verify your eligibility for application for obtaining Products and Services of Krungsri Group, such as account opening, loan request, to evaluate your loan information, to inspect the registration manual before a loan can be drawn; • To check the conflict and other necessary onboarding and ongoing customer checks; • To carry out tax reporting and regulatory reporting; • To check customer data for the purpose of improving and managing customer data of Krungsri Group's customer to be up to date; • To carry out verification and cancellation, to check your account opening documents or to provide Products and Services (such as private funds).

Purposes	Description
Risk assessment and management	• To assess risks based on your profile and information obtained to determine eligibility for Products and Services, to evaluate your application or eligibility for Services and to conduct an on-going risk assessment; • To carry out your risk profiling based on determined criteria (such as sanction list, bankruptcy record); • To deal with active intra-group risk management pursuant to which risks in terms of markets, credit, default, processes, liquidity, and image, as well as operational and legal risks must be identified, limited, and monitored; • To carry out risk management of the group companies in compliance with the rules and regulations of The Japanese Financial Service Agency (JFSA) regulated over the parent companies overseas and in compliance with the rules of the Basel Committee on Banking Supervision (BCBS)
Selection of Business Partners (This objective applies when Krungsri Group collects your Data as Connected Persons)	To carry out due diligence and verify on you and status of Business Partners and partners, other due diligence (Business Partner Due Diligence / Third Party Due Diligence / Know Your Third Party) and/or background check or to identify risks relating to you and Business Partners and partners (such as Know Your Third Party (KYTP), Third Party Due Diligence, anti-money laundering, to conduct Related Parties Transaction (RPT) checks, Foreign Account Tax Compliance Act (FATCA), to check your Data which you provided to Krungsri Group against the blacklist database, to conduct other due diligence and verification requirements against the public database of law enforcement agencies and/or sanction lists under the law and other relevant lists, including to comply with sanctions, procedures or rules, to verify your relationship with politicians, to carry out financial transactions and payment services, including to carry out transaction checks), to assess eligibility and qualifications of you, Business Partners, partners, and personnel in working for Krungsri Group, requesting for quotations or participating in a bidding process, due diligence on documents received by Krungsri Group (such as company's affidavit, updated list/identification card of shareholders and the authorized director of the Company), registration of, negotiation of and entering into contract or transaction with you, partners and/or Business Partners.

(2) Providing and managing the Products and Services

Purposes	Description

2.3 Sensitive Personal Data

Krungsri Group will only collect, use, or disclose sensitive personal data based on your explicit consent, for establishment, defence, compliance with or exercise of legal claims, for satisfying legal obligations in relation to substantial public interests or otherwise as permitted by law. Where consent is required, we will separately ask for your consent using the appropriate means. Categories of sensitive personal data that we may collect from you depend on factors including which Krungsri Group companies that you may contact.

Categories of sensitive personal data	Purposes
Criminal Records	To collect and use your criminal records for detecting, preventing, and prosecuting unlawful acts and fraudulent conduct and for compliance with the requirements of applicable laws and regulations.
Biometric data	We need to collect and use your biometric data (e.g., your facial and fingerprint data) for customer identity verification, for underwriting processes for credit card issuance and/or for personal loan approval, and/or for underwriting and loan approval processes for hire purchase, leasing and loan, for authentication, for applying, accessing and/or taking any other steps to use the Products and Services of Krungsri Group (e.g., by accessing or opening an account via our mobile application or at our branch) In addition, we may also collect your voice to verify your identity to resolve issues of which you inform us and may disclose your voice data to speech recognition service providers for tuning and analysing your voice data.

Categories of sensitive personal data	Purposes
Religion data	In general, we do not require religion data from you in offering our Products and Services. In practice, however, we may inevitably receive religion data from you (e.g., by a scanned copy of your national identification card accompanying agreements, Products and Service applications or for verifying identity of business partners, individuals, directors, shareholders, and authorized directors of a company). In such a case, we will protect your religion data under the applicable laws.
Disability data	If you have a disability, Krungsri Group may collect, use, or disclose your disability data including your fingerprints for the purposes of entering into contracts between you and Krungsri Group (e.g., if you are disabled and cannot sign your name in a contract with Krungsri Group, then Krungsri Group will request for your fingerprints instead) , for the purposes of compliance with a law to achieve the purposes with respect to substantial public interest in order to protect the fundamental rights and interest of the data subject (e.g. in the event that the customer redeems investment units of tax benefit funds before maturity or in violation of the regulatory conditions with respect to tax exemption, it is necessary for the customer to present proof of disability in order to enjoy withholding tax exemption).
Personal data about vulnerable customers may be sensitive personal data	If Krungsri Group, taking into account your personal circumstances, considers that you are a customer with characteristics of vulnerability according to the relevant notifications of the Bank of Thailand or the Office of Securities and Exchange Commission, including hearing or visual impairment, having health conditions or other characteristics of vulnerability, Krungsri Group will provide you with a level of care that is appropriate for a vulnerable customer when communicating with you or providing you with our services. To ensure the fair treatment of vulnerable customers and to comply with the requirements under the notifications, Krungsri Group is required to collect data on vulnerability, including, health data and disability data, that may be sensitive personal data under the applicable data protection laws, and to analyse the Data of vulnerable customers to identify their customer groups so as to offer products and services that are suitable for their circumstances.

	FinNet), security depositors/custodians (such as Thailand Securities Depository Company Limited), Association of Investment Management Companies, persons accepting collaterals/pledgee).

4. **Transfer of your Data to other countries**

We may need to transfer your Data to our affiliates, third parties located overseas (e.g., Japan, Singapore, Taiwan, Philippine, Indonesia, Laos, Cambodia, Myanmar, Vietnam, Israel, India, Australia, the United States of America, the United Kingdom and the European Union Countries) including Cloud platforms for achieving our business purposes or for your benefit, depending on which Krungsri Group companies that you have interactions with, such as when we use systems and services and transfer your Data to our service providers operating outside Thailand for credit scoring as part of our underwriting process or when we provide you with remittance service. We may need to forward and transfer your Data to representative banks to complete your transactions or to our Business Partners in abroad for introducing of any potential investment project and for any performances in relation to such projects, or when you apply for products or services from our affiliates or business partners. In addition, we may need to transfer your Data overseas via our payment networking provider for approving and settling the transactions you request. We may also transfer your Data to an overseas Master Fund to comply with the regulations of the Master Fund, including applicable laws and regulations. We may also disclose your Data to an overseas Sub-Manager for the purposes of managing investments. In addition, we may store your Data in our server (such as in Singapore) to provide information technology support outside of Thailand. We may also disclose or transfer your Data to our parent company, affiliates, and relevant regulators and government authorities of other countries for which the Personal Data Protection Committee under the Act has not ruled that this country has adequate data protection standards at the time when this Notice is prepared.

When we need to transfer your Data to a country with data protection standards that are not equivalent to that of Thailand, we will ensure that there shall be sufficient data protection measures for the transferred Data, or the transfer is otherwise permitted in accordance with the applicable data protection law. For example, prior to transferring your Data to the applicable third parties, we may require such third parties to represent and warrant that the transferred data will be protected by data protection standards which are equivalent to those required in Thailand.

5. **How long we will store your personal data**

We will store your Data only for as long as it is necessary for the purposes for which it was collected, as explained in this Notice and in accordance with the applicable law. However, we may retain your Data for a longer period to comply with applicable laws and regulations and our internal policy or with regard to our operational requirements, such as proper account information maintenance, facilitating client relationship management, and responding to legal claims or regulatory requests.

6. Your rights

Subject to the provisions of data protection law, you have a number of rights regarding the collection, use, disclosure and/or transfer of your personal data, including the rights

- (1) to **access**: you can access and obtain a copy of information relating to the collection, use, disclosure and/or transfer of your personal data, and a copy of your personal data, or request that we disclose the acquisition of your personal data without your consent;
- (2) to **rectify**: where you consider that your personal data is inaccurate, not up-to-date, or incomplete, you can require that such Personal Data be modified accordingly;
- (3) to **erase or destroy**: you can request the deletion, destruction, or anonymization of your personal data to the extent permitted by law;
- (4) to **restrict**: you can request the restriction of the use of your personal data, for example in the case you found that your personal data is inaccurate, you can request to restrict the use of such data until it is modified;
- (5) to **object**: You have the right to object to the collection, use, or disclosure of your personal data including for direct marketing purposes in any case, which covers profiling related to such direct marketing;
- (6) to **withdraw your consent**: where you have given your consent for the collection, use, or disclosure of personal data, you have the right to withdraw your consent at any time;
- (7) to **data portability**: where legally applicable, you have the right to request us to provide your personal data in a structure, commonly used and machine-readable format using tools or devices which function automatically and by which personal data can be used and disclosed in automatic mode; and transmit or transfer your personal data in such format to another organization; and
- (8) to **lodge complaints in case you notice that Krungsri Group does not comply with the data protection laws**: you are entitled to lodge a complaint with the competent authority regarding the collection, use, and/or disclosure of your personal data by us or on our behalf. Before approaching the competent authority, we would, however, appreciate the chance to deal with your concerns, so please contact us in the first instance.

You may contact us to exercise your right, by using any of the following channels.

- Credit card and loan products via Customer service center or UCHOOSE application.
- Insurance products via Krungsri General Insurance Broker Limited (KGIB) Tel. 02-777-1900.

Your request to exercise any of the above rights as a data subject may be limited by the law. There may be certain cases where we can reasonably and lawfully decline your request, for example, due to legal obligations or court orders.

7. Security measures for protecting Data

Krungsri Group implements the policies and security measures for protecting Data, including management measures, technical protection and physical protection measures regarding the access or control of the use of Data in accordance with this Notice as well as policies provided for personnel of both internal and external corporates who have recognised the importance of Data security strictly. In addition, if Krungsri Group acknowledges that countries of the counterparties which we may transfer Data to has insufficient data-protection standards, we will procure them to have adequate data-protection standards.

8. Links to other third party websites

For website users, our Products and Services may contain links to social networks, platforms, and other websites that are operated by third parties. While we try to link only to websites that share our high standards for privacy, we do not take responsibility for the content or the data protection standards employed by such other websites. Unless this Notice otherwise provides, any personal data you provide to any such third-party website will be collected by that party and not by us and will be subject to that party's privacy notice/policy (if any), rather than this Notice. In such a situation, we will have no control over, and shall not be responsible for, that party's use of your personal data.
